

I believe that Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear a clear and present danger to our Republic.

Sinclair is obligated by law to serve the public interest.

Please take action. This isn't just about the most dangerous man to (re) run for President, it's about basic FCC violations which you have the power to change.

Stop this action, or demand equal time for Kerry, plain and simple.
